mica

RESTAURANT

Our name is taken from Mica Creek which is located just north of the Nk'Mip resort and drains into the Osoyoos Lake. Although only one aspect, it is an integral part of the eco system, which then provides life to the vineyards, the orchards, the local fish and wildlife. Just as the creek is a vital part of a bigger entity, so too is Mica Restaurant a part of the much larger NK'MIP Resort.

Nestled in the hills above Osoyoos, Mica enjoys panoramic views of the lake, the mountainside, and the vineyards. Possessing not one but two outdoor patios, Mica offers a spectacular outdoor dining experience. Our menu, featuring both small & large plates, is the perfect culinary diversion and our list of hand-crafted wines, from wineries located within a day trip of Spirit Ridge, will both focus and inspire your wine explorations.

Break away from your everyday to Mica and experience wine-country casual at its best.
